

# Greetings from International Bible School...

A ministry of Christian Churches and Churches of Christ.

Attachments: Tthree Evangelism or Bible Study tools from IBS as correspondence lessons for all who wish to use them. Download them from here or the Internet on websites listed below. They are also available as lesson booklets on paper.

They are “Good News,” “The Book,” and “New Life.”

Good News in 7 lessons tells IBS students: #1 Why they need the one true God and God’s son, Jesus Christ, as their Savior, and #2 How to receive God’s offer of salvation from sin.

The Book in 6 lessons teaches IBS students how to understand or interpret the Bible.

New Life in 7 lessons guides IBS students on how to live as Christians and their new purpose for living.

All Lessons, Lesson Questions and Answer Keys are available here. Don DeWalt and Leonard Stone published the original “Good News” lessons in 1992 from a concept first developed by World Bible School. Carl Anderson, preacher, teacher and former Bible college academic dean, developed the other two lesson series.

The Good News lessons have already been translated into many languages other than English: Spanish, French, Creole, Hindi, Tamil, Telegu, Tagalog, Portuguese, Cubuano, Romanian, Illongo, Hmong, Russian and Burmese. Advanced lessons have also been translated into some of these languages.

IBS works in partnership with many other Chrn. ministries like College Press, Literature and Teaching Ministry, White Fields Overseas Evangelism & Reggie Thomas, We-Go Missions, Institute for Christian Resources, American Rehabilitation Ministries, Global Bible School, World Bible School.

**IBS provides correspondence courses in both the printed and electronic formats for students to study in the privacy of their own homes. IBS matches students with teacher-helpers in our churches who grade the lessons, answer their questions, and provide encouragement, contacts and prayer as the student completes the course.**

## IBS focuses on three groups of people:

1. **People seeking the answers** to today's problems through the study of the Bible.
2. **Christians** seeking a way to be involved worldwide from their home or local church.
3. **Missionaries or evangelists** helping people who are open to the NT gospel message of salvation

## Here is our May IBS **“UPDATES FROM AROUND THE GLOBE”**

**THE PHILIPPINES:** from missionary **Joe Randall**. “Sunday, April 13<sup>th</sup>, was a wonderful blessed day at the Hi-Way Church of Christ. At the end of the service, Miss Arnelie Estrera came forward and was baptized. Arnelie is our new helper at the house being with us now for a little more than a month. We have been conducting Bible studies with her and she has completed the International Bible School correspondence course in **Cebuano**.”

**KENTUCKY:** “Enclosed is the copy of the **French** lessons. I also included a **Hmong** translation of the six-lesson course. There are 300,000 Hmong in the U.S. I have been to a settlement of Hmong in French Guiana and they love the lessons in the native language,” from **Leonard Stone** (original director of IBS), now with Global Bible School. This is **the 15<sup>th</sup> language translation** of the IBS lessons. [I understand the **Creole** lessons translation is in process. CAA]

**BANGLADESH:** “42 students attended the seminar and two have taken baptism. Also, we have completed the repairing of the damage of our center” from Monirul Nanok, Word of Life Ministries in Kulna.

**OREGON:** from Louise Nelson, IBS teacher in Oregon, “My ‘on fire student’, Samuel, from Tanzania, has sent in his final lessons. In his letter, and I quote, ‘I have 40 Bible classes this month. 16 of my Bible classes have heard the truth of the Word of God. 24 of my Bible classes have believed the truth of the Word of God and three among them have been baptized and added to the Lord’s Church.’”

**PAKISTAN:** from Manzoor Jalal of Evangelistic Gospel Ministries, “Lesson printing has completed and we have distributed lessons in schools for young boys and girls. We have 1000 copies.” (Lessons newly translated into **Urdu**.)

Once again, thanks for your continued prayers and financial support, which allows the ministry of International Bible School to reach around the world with the Good News.

Yours in Christ,

WESLEY BELL, IBS DIRECTOR
