PREFACE

EXPLORING EXODUS FIVE LAYERS OF HELP FOR STUDY

EXPLORING EXODUS is a chapter-by-chapter study of Exodus. To guide you in the exploration of Exodus, five layers of help are provided:

1. A set of **QUESTIONS** on each chapter is provided. These may be used for group or individual study. Almost all the questions can be answered from the Bible.
2. Several **OUTLINES** on each chapter follow the questions. These are designed to help you in teaching the material, or to assist you in gaining quick comprehension of the chapters.
3. Extensive **NOTES** on the Bible text and related material are given. These notes are introduced by questions which should draw the mind to the point of the passages under consideration.
These notes are comprehensive. They have been prepared after consulting commentators with many points of view. The Hebrew and Greek texts of Exodus are referred to very often. The Bible text used is the quite-literal American Standard Version (1901).
4. Numerous photographs, charts, and original **MAPS** are included.
5. Several **SPECIAL STUDIES** on such topics as the Ten Commandments, the Red Sea, and the Sabbath Day are given in the introductory sections and at various places in the text.

We present this book with many prayers that it will help you to explore Exodus with joy and to discover its innumerable blessings.
